Editor-in-Chief

FounderTimes was created to spotlight the founders, leaders, brands, and businesses shaping the next chapter of India's business ecosystem. In a rapidly evolving market, meaningful growth is being driven by vision, innovation, strong leadership, and the ability to build lasting business connections.

The Growth Edition celebrates individuals and organisations turning ideas into opportunities, creating stronger networks, and building businesses with a long-term vision. From emerging entrepreneurs to established industry leaders, this edition brings together stories of people contributing to the changing landscape of modern business.

Our aim is to highlight the journeys, ideas, and leadership approaches that inspire progress and create meaningful impact.

Celebrating the leaders, brands, and businesses shaping the future through vision, growth, and purposeful leadership.
